

Hydraulic power unit

■ AR series standard hydraulic power pack character

Available for various control type application as following	■ Remote control ■ Dual-Pressures / Flow ■ Proportional Pressure / Flow ■ Load Sensing
Appearance & Operation	■ Compact,lightweight and easy assembling.
Instructions	■ With high quality pump and motor for long product life.

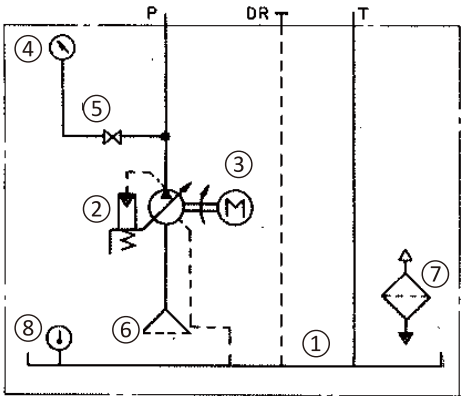

■ V series standard hydraulic power pack character

Available for various control type application as following	■ Remote control ■ Dual-Pressures / Flow ■ Proportional Pressure / Flow ■ Load Sensing
Application	■ Widely application of hydraulic machine.
Instructions	■ Adopt high quality pump and motor for high efficient,energy saving and quick response performance.
